Note:- The existing sanction in G.O. 3440 Home d. 23.11.44 expired on 31-3-45 - para 1 n/p. 19 of (V). There is no need to consult the I.G. as this is only a case of continuance of an existing temporary staff

2 The Board has asked for the retention of the staff only till 31-5-45- para 2 on p. 1 c. Fin. According to the recent instructions for the Publ.(Ver) Dept. however all extension of temporary staff should be for fairly long periods only. The staff may therefore be continued up to 31-3-46 or till the necessary for the employment Exchange whichever is earlier. The draft order at ns/pp: 1-2 ante provides for this.

3 The case may be sent to Fin. for acceptance of the draft order.

Item 6?

The Scheme as at ff 1-2 above may be accepted subject to the following remark. 11.10.44

The Continuance of the Police staff has been specifically recommended by the Board until 31.5.45 for the prevention of smuggling of rice from the sea coast upto the outbreak of the monsoon —cf portion marked A & B on pp 3-4 C.F. Before further extension for a whole year is sanctioned as suggested by Home on p. 3 above, it seems desirable to obtain a report whether the staff is required even during the monsoon period. Home may perhaps be requested to get further information in this regard from the Board in consultation with the D.C., if necessary

10.4.45 The staff on the seacoast is evidently not wanted during the monsoon Home may perhaps find out whether it will not be sufficient to sanction the coastal staff till 31/5/45 & then from 1.10.45 to 31.5.46

Please see the Fin. Deptt. note on p. 4 ante. It seems enough

(i) the retention of the temporary staff is now sanctioned up to 31- 5- 1945 only, as proposed by the Bldg Dir. and recommended by Fin. and (ii) the question of the further retention of the temporary staff is considered, if and when the Bldg Dir. raises it again.

Memorandum. If this is agreed to, the draft order on pp. 1-2 ante may be issued after substituting "31- 5- '45" for "31- 3- '46" in para 1.
